Tune: Integer Vitae

Hail to our High School.
Hail the life before us.
Sing we together
Our triumphant chorus.
Though we are parted
Our spirit will remain
Always with Shanksville-Stonycreek High.

Hail to our colors
Hail our fighting spirit
Tell all the universe
We will fight—not fear it.
Though there be barriers,
With God's help we'll face them,
Always for Shanksville-Stonycreek High.

*In Memory of
Mrs. Ethel McClintock*

With loving admiration we
Would dedicate these lines
To one whose personality
With gentle wisdom shines;

Whose ready sympathy extended
Into ever widening spheres
Who counted her greatest assets friends
She's made throughout the years.

Though they be scattered through the land
In homes she'll never see,
These friends who cannot shake her hand
Pay tribute here with me.

To one whose youthful dream came true
Because she knew it would.
Whose high ideals came shining through
The things for which she stood;

Who lived to serve her chosen field
With all those attributes
Integrity and honor yield,
Who saw her dream take roots

And flourish in the healthy soil
Of faith and daily prayer,
To multiply with honest toil
In good will everywhere.

Ah, truly blessed was she whose heart
Has listened for a song,
Who nurtured friendship from the start
And passed her faith along.

By Viney Wilder

Senior Class History

August 1955. There were forty-one frisky freshmen in the homerooms of Mr. Orlidge and Mr. Damico. The officers of the class were: President—James Glessner, Vice President—Gerald Weigle, Secretary—Judy Ware, Treasurer—Joyce Lauer, student council representatives—Carole Browning and Becky Kimmel.

We had representatives from our class in band, J.V. basketball, intramural sports, F.F.A., F.H.A., Viklet, F.F.A. basketball, cheer-leading, play band, student council, county band and county chorus.

August 1956. During the sophomore year there were forty members in our class in the homerooms of Mrs. Orlidge and Mr. Nash. We elected Sheldon Glessner—president, Lee Emerick—vice president, Judy Ware—secretary, and Joyce Lauer—treasurer. Student council representatives were: Carole Browning, Arthur Frye, and Larry Ross. Mrs. Orlidge was elected advisor, and Mrs. Emma Barron, and Mr. Wetz-el assistants for the class of 1959. The class sponsored a dance for the junior and senior high school in October, with a fall setting. In May the class got measured for its class rings.

We had representatives from the sophomore class on the Varsity and J.V. basketball teams, band, chorus, Viklet, boys cooking club, intramural sports, dance club, photography club, F.F.A., F.H.A., F.F.A. basketball, rifle club, National Honor Society, library club, cheer-leading, baseball, play band, county band, county chorus, and District chorus.

August 1957. Our junior year was a big and busy year for the forty members. The class officers were: President—Lee Emerick, Vice President—Arthur Frye, Secretary—Judy Ware, Treasurer—Becky Kimmel. Student council representatives were: Carole Browning, Arthur Frye, and Larry Stern. Shirley Flamm was elected Historian. Larry Ross, John Glessner, and Lee Emerick were appointed assistant business managers of the Chicahonian.

The juniors got their class rings on October 3, 1957 from Stahl's Jewelry Store in Somerset. Miss Joyce Lauer was elected Fall Festival Queen to represent our school during Fall Festival Time in Somerset. The class sold Shoe Shine,

Fire Extinguishers, and Community Calendars for the Stoystown Lions Club as a money making project. The Junior Class Play entitled, "Here We Go Again," was presented on May 2, 1958, and was a big success through the efforts of Mr. Geist, our director. The class feted the seniors of 1958 at a Junior-Senior Prom on May 9, 1958.

The class had representatives in band, chorus, intramural sports, photography club, Varsity and Junior Varsity basketball, cheer-leading, rifle club, Honor Society, Tri-Hi-Y, baseball, Viklet Staff, Chicahonian staff, play band, dance band, District Band, county band, and county chorus.

September 1958. Thirty-nine happy seniors were together in Mr. John Miller's homeroom and under his advisory. The officers for our senior year were: Lee Emerick—president, Larry Ross—vice president, Judy Ware—secretary, and Becky Kimmel—treasurer. Student council representatives were: Carole Browning, Arthur Frye, and Larry Stern.

The class dressed up in their fineries to have their senior portraits taken. The class sold magazines and Christmas candy.

In December, the class presented its class play, "Take Your Medicine" Felicia Metcalfe which was under the direction of Mrs. Orlidge. In the month of January 1959, two of the class members were honored at the Pennsylvania State Farm Show. They were: Norma Shockey, who received the Future Homemakers of America State Degree; and John Glessner, who received the Future Farmers of America Keystone Degree. Larry Ross and Dick Custer represented our school in the District Band at Everett High School in January.

The Class had representatives in band, chorus, Varsity, basketball, cheer-leading, Honor Society, Tri-Hi-Y, Viklet staff, Chicahonian staff, play band, county band, county chorus, and District Band.

On May 8, 1959, the class was feted by the juniors at a Junior-Senior Prom.

The last few moments together, that every member of the senior class will never forget were: May 24, 1959, the night of Baccalaureate; and May 26, 1959, the night of Commencement.

How time flies! This was our school life.

Class Prophecy

Suppose, like the Fountain of Youth, there was a Fountain of the Future. We would toss into it a coin, make a wish, and a moment later we would be walking through the world of tomorrow. "Splash!" "I wish, Magic Fountain, that I could see what fate has brought for the class of 1959."

"Here we are, nineteen sixty-nine!" With time on my hands and coins in my pocket, I am set to meet the first of my long-lost classmates.

Our class has turned out quite a few "tillers of the soil." Ernest Coslic, now married to the former Norma Shockey, owns a thousand acre farm in Texas. They tell me that the best dairy farm around is operated by Gene Barkman. Another of our farmers, who is doing quite well for himself, is Gerald Weigle. He has become a full-fledged Star Farmer. Down the hill and around the bend, flying low, comes Bobby Lambert and his cattle truck. We leave the wide open spaces and find ourselves in the big city.

Walking down Times Square, I come face to face with Lois Browning, now a successful dress designer. Lois certainly looks lovely with her new hair style, which was set at "Rog's Beauty Salon." "Rog's" is run by Roger Duppstadt who is famous for giving permanent waves.

Approaching a hospital I decide to enter, with the belief that I will meet several of my classmates. I'm right! As I enter the great doors I am greeted by the receptionist, Sylvia Lambert. "Sis" tells me that Judy Ware and Becky Kimmel are both working as registered nurses. Becky is married to Dr. Spock and Judy to Dr. Christian. I learn that John Glessner is also working in the hospital. He is known as Dr. Quack! Walking through the corridors I hear my name being called. I investigate this and discover the where-about of the voice. Paul Landis has just installed a Microphonic Sound System which he has recently invented. He says it doesn't work exactly right because Sheldon Glessner, who was helping him fell asleep on the job.

As I turn to leave, I notice Shirley Flamm hard at work. She is a medical secretary and is doing a fine job. I don't want to disturb her, so I'll leave quietly.

Cold and hungry, my eyes fall upon a huge neon sign, "Ruby's." "Now where have I heard that before?" I enter the restaurant and am greeted personally by the manager, Ruby Schrock. Ruby's hostess is none other than

Dorothy Ohler. Looks like working in cafeteria was good experience for these girls! When I am served my order, a good cup of tea, I am curious about the label, "Nick's Brew." Dorothy tells me it is made by the world-famous tea manufacturer, Wilson Nicklow.

As I fight my way through a mob of screaming females, I find singer, Larry Ross, who is sweeping the nation with his latest and greatest hit song.

"Would you like to buy—", I turn and find Jay Miller, still trying to sell magazines. I read in big, bold print, "Emerick for Governor." I must rush and cast my vote for the next governor of Pennsylvania, Lee Emerick.

Meanwhile back at the ranch; Dick Custer and cousin Don are watching over their huge herd of horses. The boys are both married, and Don is the father of four redheaded girls.

Norman is working on a brand new car for 1970. It will be called the "Pen Rod."

The Army's really on its toes these days with the aid of our three boys, Ned Lambert, Ken Duppstadt, and Sam Yoder. I hear Ron Friedline, Kenneth Baker, and Dick Miller are fly-boys with the mighty Air Force. "Who's the sharp-looking W.A.F.?" "Why it's Joyce Lauer!"

Roy Menear has taken higher education. In fact, he was the first man to the moon. His space ship was designed by the great architect, Jim Glessner.

Deep in the heart of the jungle, Lynn Lambert, has just bagged his first small game of the season, a baby elephant.

Why not go back to the place we spent twelve hard, but wonderful years together, Shanksville-Stonycreek High School? We find Professor Larry Stern teaching the more advanced students. Looking out the window, I see Carole Browning and her gym girls taking ten laps around the ball diamond. That little boy certainly looks familiar! Questioning him, I learn that he is the son of Donald Trent who now runs a fleet of school buses. There is a new addition to the school, a kindergarten, taught by Donna Stull.

I am in a small country church. As I rise to walk out into the cold darkness of the night, the minister extends a warm friendly hand. Arthur Frye's dream has finally come true.

This remaining coin in my pocket I will keep, for it is in the lap of God what the future holds for me, Jane Weigle.

National Honor Society

The purposes of the Honor Society are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to encourage the development of character.

To become a member of the National Honor Society, pupils must attain three A's, and have no grade lower than a B during any reporting period. Members failing to maintain a B average are permitted one probationary reporting period to regain the average.

This year the Honor Society presented a sound effects record to the school and had its initiation services for the P. T. A. Founders Day meeting.

Senior High School Student Council

The Senior High School Student Council was composed of nine members, three members each from grades ten through twelve. The council met each Monday morning under the direction of Mrs. Mabel Doak.

The purpose of the student council is to promote desirable school spirit. At each meeting the students discussed some of our local school problems and tried to find a suitable solution for them.

The council bought pins for their three senior members. One of the council's projects was the printing and circulation of the school Alma Mater to all the junior and senior high school students. The council also sponsored the Community Chest Fund. Money was made by selling refreshments at the home basketball games.

The officers for the past year are as follows:

Future Farmers of America

The Stonycreek Valley Chapter of the F. F. A. had another successful year. Election of officers was held in May.

Two summer meetings were held, one in June as a weiner roast and the second in August as our Annual Project Tour.

In August eight members had livestock entered at the Meyersdale Fair and won honors in both beef and dairy shows. During June several members attended F. F. A. Week at Penn State University.

The officers attended leadership training, in October, at which time John Glessner was elected Reporter for the Somerset-Fayette County Area.

The F. F. A. held their twenty-second annual Father and Son Banquet in November and also sponsored a donkey basketball game during November. In January the chapter attended the Pennsylvania State Farm Show.

As service to the community the chapter sold such things as screw drivers, Christmas trees, vegetable seeds, and onions. The chapter intended to enlarge their Christmas Tree Nursery.

The F. F. A. officers for last year were:

President	John Glessner
Vice President	Gerald Weigle
Secretary	Art Frye
Treasurer	Ernest Coslic
Sentinel	Sam Yoder
Reporter	Bob Lambert

Future Homemakers of America

The Future Homemakers of America is a national organization for students enrolled in vocational economics. It is an organization in which members may practice good leadership that can be useful in the future to help in the development of better knowledge of modern living and methods of home-making. Meetings were held twice a month to discuss business.

In order to raise money for the club, the members sold peanuts, cards, peanut brittle, and other items.

We had the initiation of new members, making a total of thirty members in the organization. The F. H. A. served the Father and Son banquet for the F. F. A. The members also attended the State Farm Show at Harrisburg in January. Some of the members helped with the demonstration at the Farm Show.

The F. H. A. colors are red and white, and the motto is "Toward New Horizons."

Varsity Basketball

To most Viking fans and to the coach, the prospects looked very promising for the 1958-1959 basketball season. The four returning lettermen, Art Frye, Richard Custer, Lee "Mike" Emerick, and Larry Ross were the material with which Coach Lowry built his team. The old saying, "anything can happen," surely held true this season. After winning their first three games easily, the Vikings dropped their first two league games to Meyersdale and Boswell. The boys kept that "old Viking spirit" and never called it quits until the final buzzer.

Richard Custer, a guard standing at 5' 10", was very handy at moving the ball around.

Lee Emerick, a fast moving, straight shooting forward, stood 6' 1".

Larry Ross, our 5' 8½" guard, was always in there doing his best.

Art Frye, our capable 5' 11" forward, played his role of team captain well, always using his head in every play.

Dale Browning, our 6' 1" sophomore center, was quick at getting those rebounds.

Wayne Long, our 5' 8" sophomore guard, was a big help.

Bob Reed and Bob Dupstadt were always ready when needed.

Junior Varsity Basketball

The "Little Vikings" had a fair season. The fellows who worked hard and rounded out the team were Bob Duppsstadt, Bob Reed, John Daugherty, Jack Spangler, Ernest Muro, John Thomas, Barry Cassidy, Eddie Lowry, Harold Pile, Jim Boozer, Don McNeal, and Jay Berkey. It looks as though there will be several experienced replacements for next year's squad.

Congratulations on your fine team work and lots of luck in the future.
